

Message from HFMSNJ
Education Chair; Edward Fay, CHFM

The Healthcare Facilities Management Society of New Jersey proudly presents our annual all day seminar and vendor expo.

Cordially inviting our members, peers and colleagues to join us for what will truly be one of the best healthcare educational seminars offered.

This one-day program will provide valuable information for those individuals who are responsible for creating an effective Environment of Care program and/or responsible for Life Safety programs.

Information will be provided in a format so that the attendees will be able to implement continuously compliant program in healthcare facilities.
